REGISTERED SHOOT APPLICATION

In order for your gun club to host a registered shoot, this application must be completed by one of your gun club officials and mailed to your **state association and/or state delegate/representative.** The state association/delegate/representative will then mail the approved application to NSCA Headquarters. Provided all conditions of the application have been met, the NSCA will then issue the SHOOT REGISTRATION CERTIFICATE to you and a copy will be retained by the NSCA. Along with the shoot certificate, the NSCA will mail the "SHOOT REPORT SUPPLIES" to the person you designate below.

The "SHOOT REPORT" or CANCELLATION **must arrive at NSCA within 15 days** after the scheduled end date of your shoot in order to avoid a $25.00 fine. All shooters must be current members of NSCA to shoot in any registered event held at your club. Please note that all registered shoot dates are listed in the Sporting Clays magazine when NSCA office is in receipt of dates at least three (3) months prior to publication.
